Letter From Laura Hebert 2003-04 CBAHU President

Dear Friends in CBAHU:

Facing the Challenges of the Future...

Summer time in Texas, this is the time when we look at what we have accomplished in the past twelve months and look forward to what we must do in the next 12. How will your personal account balance when you measure what you have done to fulfill your obligations to yourself, your business, CBAHU, and to your community? ARE YOU DETERMINED TO DO MORE??

I am asking each one of you to evaluate whether you have done all of which you are capable in demonstrating your commitment to our shared ideals. The true measure of our success lies in not what we have done in the past but in what we will do in the future.

None of us should be so foolish as to claim that we have all the right answers or that there is only one path to success. The very change which we now see from one term to the next demonstrates that we rely upon new and different ideas, new leadership, fresh inspiration and innovative thinking to build new achievements upon the foundation of the past.

I am honored to serve as your President for this next term. This next 12 months should prove to be very exciting, eventful, and educational. As we reflect upon our past, let us yet mutually pledge to do all of which we are capable to achieve more in the FUTURE...

God Bless,

Laura L. Hebert
CBAHU President

**IMPORTANT!
LET'S HELP MAKE
"BACK-TO-SCHOOL"
A SUCCESS FOR
AREA STUDENTS!**

As we all know, "back-to-school" is coming very quickly and Cindy Morales with the Texas Department of Protective Services has furnished us with the list of children whom she supervises – some 16 in all. Included in this newsletter is the list of these children, their grades, schools and needs – especially school clothing, backpacks and other items. In as much as we did not have a meeting in early July, we will need to move fast. School in most systems will begin in early August and we will need items and/or donations brought to our August 12th luncheon. Your help is sincerely solicited. We have never let the kids down in the years that we have accepted this project as our public service assignment. It is my prayer we will come through again as we have in the past. Bless you for your generosity.
